- Team Lead at Robotics Club, designing self learning AI and IoT bots like Agribot, Wall Climber, Soldier Assistance Drone

PROFESSIONAL EXPERIENCE

MetaXP Pvt Ltd (GTM consulting firm); Bangalore, India August 2021–July 2025

GTM Consultant & Founder; Bootstrapped and Profitable

Major Clients: Amazon, SHRM, Genpact, National Trade Union Congress Singapore, SportsSG, Dr Reddy's, Plivo

- Crafted market maps, revamped investment thesis, and presented executive memos across Treeforest Capital, ACT Grants, and Jagriti Enterprise Center, consulting on portfolio investment readiness; a portfolio startup secured funding on Shark Tank India
- Successfully lobbied legislators and government stakeholders via 1:1 meet-up and industry roundtables for \$2.5M gaming fund
- Won \$21K in government innovation grants (top 1 percentile) for productising game-driven change management frameworks
- Revived MetaXP from bankruptcy by shadowing executives and volunteering for global corporate trainers, earning recognition for thought leadership, and delivered simulated business acumen workshops to 12K attendees at 4 international conferences

Select projects from 14 VC-referred engagements driving KPI driven business impact with gamification, team expertise, and data:

- Turned around a SaaS M&A firm with revenue unpredictability that deterred investors and caused executive exits by analyzing finances and market patterns, launching a \$600K ARR subscription model and sales playbook, enabling a \$10M Series A
- Persuaded a fintech firm to pivot from a VC-backed roadmap by evidencing stronger PMF through competitive benchmarking, user research, and A/B testing, halving product launch to 3 months by trading engineering time for faster market deployment
- Scoped timeline, brainstormed UX, and architected gamified cybersecurity LLM agent with reflective goal decomposition and retrieval memory; reclaimed 6 of 8 enterprise clients lost to AI-first competitor, increasing digital forensic client LTV by 18%

OPENTECH (AI and Robotics workshops); Calicut, India October 2016 – January 2025

Chief Facilitator & Founder (Part-time); Not-for-profit initiative

- Awarded Youth Icon by the Ministry of Youth Affairs for leading NGOs, schools, and government partners to upskill 10K slum and tribal students, igniting 18 student ventures solving community problems with waterbody-cleaning bots and cattle tracker
- Built and nurtured a 22-member cross-functional volunteer team with mentorship circles, guiding volunteers into influential UN, WEF, and national policy roles while earning the UN's UPG Sustainability Leader Award for community impact
